Policy Statement

Curriculum Policy

Purpose

To ensure the School's curriculum reflects the School's philosophy and goals.

Guidelines

The Board shall ensure, through the Principal and Assistant Principal - Curriculum, that it provides a suitable curriculum within the framework of the School's strategic vision, guiding principles and curriculum philosophy. Further, the Board shall ensure that curriculum development and delivery are supported by the School's professional learning programme for staff.

The Board directs the Principal and Assistant Principal - Curriculum and Leadership team to have in place robust procedures to ensure the efficient and effective delivery of the curriculum.
