GENERAL INFORMATION

Year 10 ESOL is a flexible language programme for students who do not have English as their first language, and who need to improve their language skills to achieve to their potential in mainstream classes.

Students are assessed at the beginning of the Year 10 ESOL course, and learning is structured according to their individual needs.

While the ESOL course focuses on helping students gain confidence and competence in the English language, the course also provides subject support for the student's other curriculum subjects in close cooperation with subject teachers.

AIM

The main aim of the Year 10 ESOL course is to develop the student's English language skills so that they are able to participate in all other subjects in the curriculum and achieve to their full academic potential.

COURSE OF STUDY

Understand

Through the lens of the variety of nationalities and cultures in our classroom we will explore and develop understanding of our place in the bi-cultural context of New Zealand, and in the wider world.

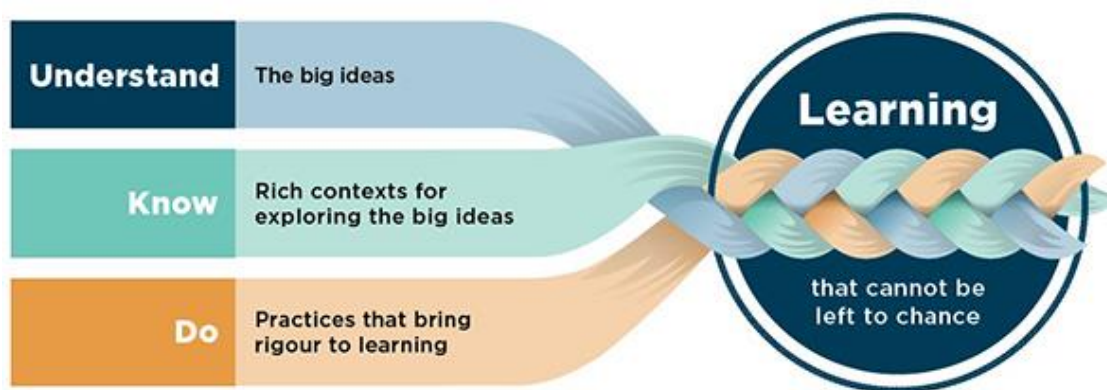

Know

- Strategies for further expanding vocabulary to include a wider range of wide range of formal and informal language, subject specialist terminology, phrasal verbs, idioms, and relevant Te Reo expressions to enable full comprehension of texts in a New Zealand context.
- How to structure a variety of sentence types, paragraphs and texts for a specific target audience.
- Effective reading skills, with a focus on increasing fluency and deeper comprehension.
- How to research using a variety of materials, take notes, paraphrase ideas and evaluate resources.
- How to give a confident and compelling speech, using a wider variety of language and presentation skills.
- How to undertake both formal and informal conversations.

Do

- Weekly fluency and accuracy writing tasks.

- Weekly speed-reading exercises to increase reading speed, and improve overall comprehension of texts.
- Practise reading comprehension skills with a focus on inference.
- Vocabulary tasks.
- Write a variety of sentences, paragraphs and texts for a specific target audience.
- Listening comprehension and notetaking skills.
- Write an effective speech and perform it to the class.
- Review and work on assessments for other curriculum subjects to support the student to achieve to their potential.
