

Level 3 Physical Education - Course Outline

Level 3 Physical Education is an optional 4 period a week course for Year 13 ākonga. Learners brainstorm their interests in learning at this level before deciding on common themes to explore and learn about. Evidence of the ākonga's learning will be ongoing, and where possible opportunities to learn collaboratively will be given. Students will learn by making connections with the issues relating to Physical Education, and examining different perspectives by questioning, evaluating and challenging assumptions.

The learning intentions are taught in a way that best meets the needs of the learners. All assignments and projects can be completed in any mode (oral, written, prezi.com, One note, video etc) if they meet the requirements of the task. Learners also complete three practical activities towards a 4-credit practical achievement standard. The course is all internally assessed, and ākonga can complete around 19 credits. By the end of the course, and depending on the standards chosen, learners will have gained a good understanding of a wide range of issues relating to physical activity, leadership principles, safety management and devising strategies for lifelong well-being, performance enhancement, and for a physical activity outcome.

Achievement Standard Number	Subject reference	Version number	Topic/Title	Mode of Assessment	Credits	Literacy UE
91500	3.3	4	PIP Programme	Internal	4	Literacy for UE
91501	3.4	4	Demonstrate performance	Internal	4	
91502	3.5	4	Examine Issues	Internal	4	Literacy for UE
91504	3.7	3	Analyse safety management Internal	Internal	3	Literacy for UE
91505	3.8	4	Examine leadership	Internal	4	Literacy for UE
